

## Sunday, 29 September

2pm

Workshop on the State of Semiconductor Laser Industry  
North Ballroom

3:30pm

Break  
Center Ballroom

3:45pm

Engineering Feedback and Resonance - Photonic Crystal Lasers, Topological Lasers, and Metamaterials  
North Ballroom

## Monday, 30 September

8:20am

ISLC 2024 Opening Session  
North Ballroom

8:30am

MA: MWIR and LWIR Lasers 1  
North Ballroom

10am

Break  
Center Ballroom

10:15am

MB: Plenary Session I  
North Ballroom

11:15am

Break  
Center Ballroom

11:30am

MC: DFB and EML for Communications  
North Ballroom

12:45pm

Lunch (on own)

2pm

MD: Heterogeneous Integration for Silicon Photonics  
North Ballroom

4pm

Break  
Center Ballroom

4:15pm

ME: PCSELS and Topological Lasers  
North Ballroom

## Tuesday, 1 October

8am

TuA: Multiwavelength, Tunable and Comb Sources for Communications  
North Ballroom

9:15am

Break  
Center Ballroom

9:30am

TuB: Plenary Session II  
North Ballroom

10:30am

Break  
Center Ballroom

10:45am

TuC: Quantum Dot Lasers  
North Ballroom

12pm

Lunch (on own)

1:15pm

TuD: High Power Semiconductor Lasers  
North Ballroom

3:30pm

Break  
Center Ballroom

3:45pm

TuE: Plenary Session III  
North Ballroom

4:45pm

Break  
Center Ballroom

5pm

TuF: Poster Session

7pm

ISLC 2024 Banquet (tentative)

## Wednesday, 2 October

8am

WA: Integration and Novel Laser Structures 1  
North Ballroom

9:45am

Break  
Center Ballroom

**2024 IEEE 29th International Semiconductor Laser Conference (ISLC)** 29 Sep - 02 Oct 2024 *All times in EDT*

Continued from **Wednesday, 2 October**

10am

WB: VCSELS and VECSELS 1  
North Ballroom

11:30am

Lunch (on own)

12:45pm

WC: VCSELS and VECSELS 2  
North Ballroom

2pm

Break  
Center Ballroom

2:15pm

WD: Integration and Novel Laser Structures  
2  
North Ballroom

3:30pm

Break  
Center Ballroom

3:45pm

WE: MWIR and LWIR Lasers 2  
North Ballroom

5:15pm

Break  
Center Ballroom

5:45pm

WF: Post Deadline and Awards Closing  
Session  
North Ballroom
